The PTF executive board positions of President, Vice President, Secretary, Treasurer, and staff liaison must submit to the administrator a one-page essay on "why I wish to serve." The nominating committee will review these essays and present the approved nominations to the general PTF body for vote at the next general meeting.

Note: All leadership positions and volunteers are required to complete a background check per school policy. This would not apply to those that are not engaging the student body. A \$10 fee will be incurred on your school statement. The background check is valid for five years.
